### **Secretary's report:**

The minutes for the October meeting were read and accepted.

---

### **Treasurer's report:**

Keith N7ACW reports that we have \$1840.34 in the bank and \$40 in petty case. He will be available for dues after the meeting.

---

### **Building and Grounds:**

No report.

---

### **Repeater Report:**

Jeff AL1Q reports that the N7LZM repeater turned off a link to a remote repeater that seems to have eliminated the noise. There is at least one person kerchunking the repeater. There is no change to the status of the lease. There was one power outage.

---

### **Health and Welfare:**

Timber N7DJE reports that Evan KI7LVG twisted his ankle.

---

### **ARES Report:**

Keith reports that he sent out an email and Winlink message with IS-100 review questions.

Jeff AL1Q reported on the Flue Clinic. Eight people participated for four and one half hours. We had our own net control. There was some discussion with the hospital on how they could improve their own radio communications.

Keith reminded us that the Parade of Lights is coming up in December. Start thinking about whether you can participate.

---

### **VE:**

Jeff reports that the new VE test dates for 2020 have been posted to the site.

We had 10 people show up for the last session. Only two of them failed to get their tech license.

---

### **Announcements:**

Timber announced that next month would be the annual Christmas party. There will be no regular meeting.

Jeff announced that we will be holding a 10 meter RTTY on the 20th of November. It will be at 1830 on 28.1 MHz LSB. He will also be monitoring the 146.96 repeater or co-ordination and troubleshooting. Plans are to hold this net monthly.

---

### **Misc:**

### **Old Business:**

### **New Business:**

Timber still wants feedback on the proposed change to the clubs meeting day to the first Tuesday of the month. The vote/review is being moved back to January.

---

### **Show and Tell:**

Robert KC7ZMT showed a basic diagram of an energy storage system he has been working on.

---

### **Education:**

Timber suggested that if anyone is having trouble programming their radios, bring them and your manuals to the meetings and ask for help. We will find someone to help.

Keith gave a demonstration and led a workshop on building a transformer for an end fed half wave antenna.

---

### **Meeting adjourned:**

Meeting adjourned at 2020.

Respectfully submitted, Mikel KB7POT, Secretary
