President Timber Burton N7DJE called the meeting to order at 1900 on the 146.96 repeater. There were 10 members and three visitors who checked in.

Secretary's Report:

The minutes of the 1 Dec 2020 meeting have been posted to the wwares.org site.

Treasurer's Report:

Keith N7ACW gave a year end report for 2020 (attached). Our spending exceeded our income for the year.

Building and Grounds:

Dave KC7JIX reports he is checking on the clubhouse weekly. Everything is winterized. Nothing else to report.

Repeater Report:

Jeff AL1Q reports that the repeater is in good condition. We recently lost the N7LZM link. It is restored, but Jeff looking for new radio. There was a 3-4 hour power outage.

The voltage drop was faster than expected. A load test to check battery health is needed.

Lynn K7LWL gave a report on the W7NEO repeater system.

W7DP Meeting Minutes

2 of 2

01-05-2021

Jeff AL1Q reports that he has installed a packet node at Weston Mt, frequency 144.99. Site is a noisy, so the station is intermittent. He won't be able to do more work until spring.

N7DMR Kun reported on the digital repeater at the clubhouse.

ARES Report:

Keith N7ACW reports that not much is happening on the emergency front. We have been talking about the use of new modes, especially VARA. There was a peer-to-peer Winlink exercise sending attaching PDF files.

VE:

Jeff AL1Q reports that there is an upcoming VE session the 17 January. Four people are signed up. Location and time to be released to registered participants. No walk-ins. Test takers will be in their vehicles. VEs will be in a nearby building.

Announcements:

Timber N7DJE announced that the W7DP club will meet in the clubhouse in February.

Old Business:

Timber N7DJE talked about our upcoming projects and donations. We have been getting information and cost of carpet tiles. Early prediction is \$200 - \$300. Also looking at some flooring for near the doors, and paint for the walls. We would like to start taking donations. Please contact Keith.

Kun N7DMR reports he found a big box with a note from Santa Clause in the clubhouse. It contained an ICOM 2730a VHF/UHF radio. Kun installed and programed it.

New Business:

Jeff AL1Q announced that we are planning on a digital net tomorrow using PSK 31. Same frequency and sideband as the RTTY net.

Show and Tell:

Timber opened up net for discussion of what you got for Christmas.

Meeting adjourned:

The meeting was adjourned at 1938.

Respectfully Submitted by:
Mikel Potts, KB7POT, Secretary
