The meeting was called to order by President Timber Burton N7DJE. There were 13 members present.

Secretary's report:

The secretary arrived late. No minutes were read.

Treasurer's report:

Secretary still missing.

Building and Grounds:

Secretary still missing.

Repeater Report:

Kun N7DMR and Jeff AL1Q reported on new digital radio capabilities at the AL1Q site: APRS with iGate, a VARA FM/Packet Winlink gateway, and new nodes.

Timber gave an updates on the W7NEO fusion repeater system.

Health and Welfare:

Timber requests that we keep Devin Grabner in your prayers.

ARES Report:

Keith N7ACW reported on the upcoming SET: It will be Sunday starting at 1000, planned to end around 1400. We are hoping for four teams of two each.

Keith also talked about Shake Out day on October 19. There may be an exercise in support of the event.

W7DP Meeting Minutes

2 of 2

10/05/21

VE:

Jeff reports that we have a location for the VE test on 17 October at 1400. It will be at the College Place Fire Dept. Three people have signed up.

Misc:

Old Business:

Timber N7DJE reminded members about the tailgate party, 17 October. It will be pen for business at 0900.

Jeff AL1Q announced that there will be a Lewis Peak Amateur Repeater Association meeting at the tailgate event. It is to elect officers for the next two years.

New Business:

It was discussed and decided to have a work crew meet at the clubhouse to inventory the boxes of donated amateur radio equipment 6 Oct starting at 1000.

Timber mentioned that we need volunteers for the Tail Gate. Several members said they would be there to help.

Timber opened the floor for final nominations of officers. There were no further nominations.

Mikel KB7OT motioned that since only one person was running for each office, that we hold a single vote to accept the current slate. Jeff AL1Q seconded. Motioned passed.

All officers were reelected.

Jeff AL1Q - Don W7UB is giving away hardline coax. He is offering. About 700ft.

Jeff asked members if the first Wednesday of the month is still good for the digital net. After discussion it was agreed to keep the same day, but move the net to 0600.

Show and Tell:

Mike WA7LKF showed at R30A Aircraft AM Receiver 190 to 1750 Kilo cycles.

Education:

Kun N7DMR gave training on how to remote into the clubs HF station for voice and digital operations.

Meeting adjourned:

Eventually

Secretary: Mikel D Potts
